“A pretty awesome kid who represents what it means to be amazing”

ISP Ambassadors are a select group of kids ages 3-18 that are charitable, kind, compassionate and have empowered themselves to make a difference. ISP Ambassadors do monthly campaigns & kindness challenges, participate in local hands-on volunteer events (OC only). Ambassadors also are creative kids that see a need in the community and work together to find a way to help. In other words, they are pretty amazing!

WHAT HAPPENS NOW?

You will get a welcome email with some instructions on how to get linked up to all our activities & events.

HOW ELSE CAN I CONTRIBUTE? *Well, that's a great question!*

PUPS: You can work with Mom to host projects at your home, local park or at your school.

NINJA: You can offer project ideas and gather friends from other extracurricular activities or school, participate in local events posted on our calendar in your area, or think of someone with a need and find a creative way to fill it!

JR. AMBASSADOR OR AMBASSADOR: You can become an Ambassador League President and recruit your own group of philanthropists. Get creative and submit new ideas or causes you want to help in your area and work with ISP to get them started with your group.

AMBASSADORS: As an Ambassador start looking narrowing down your focus to the causes most important to you and have your team contribute. Start an ISP club on campus and/or recruit members from clubs on campus to have fun while giving back.

GET STARTED

The first leap is always the hardest but you are an Ambassador now which means you are a leader. Schedule time to do your projects each month and sign up for as many local events as you can feasibly commit to. Then, inspire, motivate and be amazing! Congrats on being an ISP Ambassador!
